

Quarter Notes 🎻 🍁 Fall 2026 Edition 🍁

KIC comes to Kingston!

We are happy to announce that our after school program is up and running at our new home- Kingston Middle School! We are so happy to be part of the Kingston community, and so encouraged by the warm reception we have received from our new neighbors. We are looking forward to all the possibilities that come with this move to Kingston and the North Kitsap School District.

The first couple weeks of KIC have been about finding our rhythm again. We've focused on ensemble basics, refreshed our music knowledge, and figured out how to move through our new space. So many familiar faces came back, and we're excited to welcome our newest students into the KIC family.

The ensembles are already working on new music, and yes, holiday tunes are in the mix. **Be sure to mark your calendars for our winter concert on December 10th!** Individual lessons started this week which is always a important moment in our program year to develop skills and refine technique. It already feels like home. We are enjoying letting our students help with the decor and adding warmth to our rooms!

The fun hasn't been limited to rehearsal. Laura took a small group of students who were able to take a day off of school for a field trip to Benaroya Hall to attend a Seattle Symphony open rehearsal. The kids were captivated, and they even got to meet Music Director Xian Zhang! We greatly value the partnership we have with the Seattle Symphony and are thrilled to get to perform in a side by side concert with them, once again, on the stage at Benaroya Hall this February. This is an amazing opportunity for our young musicians! We are so grateful to the Seattle Symphony for providing these opportunities to our kids.
